RE: Project ID 9180-20-00
City of Gillett
SCPL – NCPL
STH 22

Dear Property Owner or Resident,

Please join us for a public involvement meeting to discuss WIS 22 within the City of Gillett in Oconto County, from Finnegan Lake Road to the WIS 22/WIS 32 intersection.

The meeting is scheduled for **Monday, November 14, from 5 to 6:30 p.m.** in the auditorium of the Gillett High School, 208 W Main Street, Gillett, WI 54124. There will be a short presentation at 5:15 p.m., followed by an open-house format.

The existing pavement of this portion of WIS 22 is deteriorating, will require increased maintenance soon, and will reach its service life by the time of construction. The Wisconsin Department of Transportation is in the process of developing plans for a reconstruct level improvement project of WIS 22 from Finnegan Lake Road to the WIS 22/WIS 32 intersection.

The objective of this public involvement meeting is to familiarize adjacent property owners and interested parties with the project and to obtain their comments regarding proposed improvements.

Roadway construction is currently scheduled to begin in 2023.

Your input is essential to ensuring that this project meets the needs of the traveling public. If you have any questions or if you cannot attend the meeting but would like more information about the proposed improvements, please contact me at (920) 366-3028 or Matthew.Ternes@dot.wi.gov.

Sincerely,

A handwritten signature in black ink that reads "Matthew Ternes".

Matthew Ternes
WisDOT Project Manager
