Discussion was had on the Police Department hours of labor. Erickson questioned how many 12 hour shifts could be worked in a row. Clerk Rank looked into this and an employee can work as many 12 hour shifts as they want. Rank asked if Blaser looked at the State Statute 62.13(7n) regarding Police Department Hours of Labor. Blaser stated that she talked to the City Attorney regarding this Statute and the Attorney will write an agreement up to be in compliance with this Statute. Blaser stated if the City didn't want to have an agreement written up, then the Police Department may choose to have a union. Drake stated there could have been an agreement in the past but it may have disappeared. This topic will be on the next agenda.

Next meeting was set for June 17, 2015 following CDA/TM.
