2. Discussion and Possible Action on Trailhead Project Site-

DNR will re-review the grant to move the trailhead location. They asked for a map, a parcel number, a clarification of when and why, and not to be near the contamination in the park near the basketball court on East Park Street.

Pro's to move the location- (near McKenzie Ave and E Park St) close to highway and everyone driving through the city, close to sidewalk and people walking, close to proposed information center, near volleyball, basketball, and baseball, savings in construction cost, accessibility is better, well-lit area/less vandalism, and closer to small shelters near McKenzie.

(Honey Park) near campground and near shelter for park rentals

Pro's at grant location (by Railroad) - near cattle barns, near the ATV/UTV parking, and better for the fair and public access

MOTION: McCarthy/Stroik

Motion to explore site relocation for the trailhead grant to the west of the basketball court on East Park Street and McKenzie Ave.

Voice Vote: All Voting Aye – **MOTION CARRIED**
