2. Discussion and Possible Action on Police Coverage Hours ó no action taken

Discussion was had regarding the amount of hours being staffed by the police department. Committee talked about not having 24/7 coverage and that other agencies do not have 24 hours coverage. Chief Schneider informed committee that the City has 2300 calls a year and that having 24 hour coverage is a benefit for the City. Our department's response time is 2-3 minutes to a call; where if the department wasn't staffed then it could take the county 30 mins to respond. Committee stated that the budget has 24 hour coverage so we will leave it at that.
