2. Discussion and Possible Action on Orby Jones Sports Complex Sale-sent the school a \$7,500 maintenance bill for 2021. School did not think that was fair. They had a 5 year contract from 2016-2020 for \$3,000 and our costs are much higher to maintain the complex. Previous years were less. There is a long list of expenses to get the complex back into shape, the fields need upkeep, new septic system, new play equipment, building maintenance, and more. Spaulding thinks it is a great asset for the city to keep for revenue. Committee members think it would be best to have the school be in charge of the complex and be the deed holder since school sports and physical education use it. The city isn't in the position to maintain it properly with our small parks budget and no income.

**MOTION: Hubbard/Rudie**

*Motion to offer the Orby Jones Sports Complex to the school for zero fee.*
