## 8. Police Department Report: Police Chief Breitenbach - Written Report

a. Discussion on Training, Public Relations, and Incident Summary Report

From the Chief's Desk; Gillett Police Department \ 188 incidents \ January 2025

Officer Hull has been doing extremely well adjusting to her new role as the Gillett School District Resource Officer. SRO Hull handled 35 law enforcement related events in the schools. Officer Hull also has provided several presentations on vaping, bullying, self-defense, and law enforcement's role in a school environment. Officer Hull continues to build her relationships with students and staff!

All the members of our department have completed their training in the proper use of our new LifeVac antichoking devices. All the department members have completed their annual Blood Bourne Pathogen training. Officers Anderson, Braun, and Kurtz also completed Responding to Utility Emergencies training hosted by WE Energies.

Oconto County Sheriff Todd Skarban informed me that the Gillett Police Department's ballistic shield has arrived, and we will be having shield use and application training in March.

The two new office desktop computers have arrived and have been installed. The new squad Toughbook computer is currently at Oconto County Technology Services having the required software uploads completed. These new computers should bring all of our computers up to date with the mandatory Windows 11 compatibility requirements.

## School Resource Officer Report: JANUARY 2025 Monthly Report

For the month of January I responded to 35 law enforcement related calls between the secondary and elementary school. I also assisted with multiple student contacts.

I was able to recover 2 vapes from students on 6 calls

I had 3 contacts in regards to welfare checks outside of the school hours at student residences. I had 1 student that I had 2 EM1 calls.

I attended multiple basketball games with no incidents at the games

I gave a presentation/answered questions about vaping, bullying, self-defense, & citations

I have been building relationships with the students and teachers in both schools. Students are aware they can come to me with issues and concerns. I have had multiple elementary school students that had spoke with me about home life and things law enforcement could do to make them feel safe. I have noticed multiple parents that have had negative contacts with the school now work on building relationships with staff to assist their child.

I attended multiple meetings in regards to one student that we had 7 calls with in the month of January. Arrangements were made to assist the student with class schedule and now the student is thriving. We have had multiple THC calls so a k9 search is being set up to assist the school and determine where and how we can assist students and make the school a safe place for all.

All citations that have been issued so far this month have been for truancy issues.

## 9. Fire Department Report: Fire Chief Hicks

a. Discussion on Training, Public Relations, and Incident Summary Report: January Calls: Jan 3 Gas leak Underhill Auto Aid, Jan 4 Structure Fire Oconto Falls MABAS, Jan 4 Electrical Fire A&W, Jan 8 Alarm at Serenity Gardens, Jan 12 Auto Accident, Jan 21 Gas Leak, Jan 30 Structure Fire Underhill, Jan 30 Grass Fire Oconto Falls, Grass Fire Underhill.

Training: Once a month, we have our in house training, and we work on basic concepts like search and rescue and working with breathing apparatuses. The City Fire Department is trying to progress on a program of implementing a class for young people that co-ops with the technical college to give credits towards Fire Fighter or EMS degrees. Its called the Youth Apprenticeship Program, where young individuals can explore programs of interest to them, take related courses, learn in classroom, and take to a career. We will apply for a grant to help will costs. We have 14 year olds joining the Fire Department, they cannot go on fire calls, but they can train, learn, and earn certifications before they turn 18.

6.

- 2. I wrote a grant for the Teen Inclusive Internship. It is a \$2,500 grant to grants for up to seven Wisconsin Libraries to fund library internships for local high school juniors or seniors to be completed between June 1st, 2025, and August 31st, 2025. It offers a paid mentor internship for local high school juniors or seniors to experience the world of librarianship.
- 3. Lattended Bystander and Anti-human Trafficking Training at NWTC in February. The training is meant to train library staff ahead of the 2025 NFL Draft in Green Bay. Training topics included gaining a deeper understanding of human trafficking and the role libraries can play in identifying, responding to, and supporting victims. We will also learn about ways that we can build community awareness and provide education to help with prevention as well as conflict intervention tactics.
- 4. We started a job binder for local jobs. Patrons who are looking for jobs can peruse the binder to see what is available locally.

### **FEBRUARY 2025 Monthly Report**

For the month of February, I responded to 24 law enforcement related calls between the secondary and elementary school. I also assisted with multiple student contacts.

I was able to recover 4 vapes from students on 9 calls

I had 2 contacts in regards to welfare checks outside of the school hours at student residences I had 1 EM1 call, multiple harassment/bullying calls.

I attended multiple basketball games with no incidents at the games. After the games I have multiple students come up and talk to me before leaving.

We had a K9 sweep of the school where 1 item of contraband was found.

I have been in contact with Human Services throughout the month to assist students that need help at home or with their mental health. I have been doing check in with certain student to see how they are doing in school and how home life is going.

I have been building relationships with the students and teachers in both schools. Students are aware they can come to me with issues and concerns. I have had multiple elementary school students that had spoken with me about home life and things law enforcement could do to make them feel safe. I have noticed multiple parents that have had negative contacts with the school now work on building relationships with staff to assist their child.

I have joined the Health Committee at school to assist students and staff with abuse, vaping, drugs, social media, anxiety, bullying.

I also will be the assistant coach for the girls' softball team.

I am working on a program in the Elementary school to acknowledge students that go above and beyond to make a difference in school.

I participated in the FFA assembly for the teacher's team and peddled a mini tractor around the gym, did a cowpie eating contest, and played farmer's basketball.

I have issued 11 citations this month. 3 for vaping, 1 disorderly conduct, and 7 truancies.

I have multiple meetings set up with Oconto County Human Services and other organizations to build presentations for the students on Teen Distracted Driving, Mental Health, Bullying, Secure Detention, Abuse, Sexual Assault, and Harassment. Also going through the law side with citations, court, and jail/juvenile intake.

## NOTIFICATION OF OCONTO COUNTY MAINTENANCE REQUIREMENTS AND WISCONSIN FUND PROGRAM

Jim and Nancy Van Elzen	
Name of Property Owner	Property Owner's Phone Number
N 3066 Cty RJ C Home Mailing Address Pulas Ki, WI 54162 City, State, Zip Code	125 E. Fourth Street Physical Address (if different from Mailing Address) 231-042213550 Parcel Number of Property (Location on Tax Bill)

In accordance with WI Administrative Code DSPS 383.52 all Privately Owned Wastewater Treatment Systems (POWTS) shall be maintained. The owner of a POWTS shall be responsible for ensuring the operation and maintenance of the POWTS occurs in accordance with DSPS 383 and the approved management plan detailed in the sanitary permit.

POWTS that exists prior to July 1, 2000 shall be visually inspected at least once every 3 years to determine whether wastewater or effluent from the POWTS is ponding on the surface of the ground. Servicing of the treatment tank shall occur at least when the combined sludge and scum volume equals 1/3 of the tank volume.

The servicing of a holding tank shall occur at least when the wastewater of the tank reaches a level of one foot below the inlet invert of the tank.

Pending a change in monitoring the required maintenance, Oconto County will send maintenance notification at the service interval required for your POWTS. If you have servicing completed prior to your notification date, contact the Oconto County Zoning Office and we will provide you with a maintenance card to be completed and returned.

A POWTS, including a POWTS existing prior to July 1, 2000, that is not maintained in accordance with the approved management plan or as required under s. DSPS 383.54(4) shall be considered a human health hazard.

#### Replacement Systems:

Oconto County participates in the Wisconsin Fund (Private Sewage System Replacement or Rehabilitation Grant Program). This fund provides financial incentives to protect and improve public health, safety and groundwater quality in Wisconsin. If your principle residence or small business POWTS failure is classified as a Category 1 (systems discharging to surface water, groundwater, etc.) or Category 2 (systems discharging to ground surface) as designated by a County Zoning representative, you may be eligible for a grant under this program provided that all of the following requirements are met:

- The failure of your POWTS is classified as Category 1 or 2 failure by a County Zoning representative prior to replacement of the existing POWTS.
- The residence is your principle residence (occupied greater than 51% of the year).
- 3) The failing POWTS was constructed prior to July 1, 1978.
- 4) The residence is not located in an area served by a municipal sewer.
- 5) The income of all owners of the principle residence is less than \$45,000 and for small commercial establishments less than \$362,500.
- Check this box if you intend to apply for the Wisconsin Fund. Condition #1 must be verified prior to replacement of the existing system.

I, the undersigned, am the owner of the above stated property and agree to comply with the maintenance requirements as stated above and will notify any future assignees of my property of this Maintenance Program. I further agree to allow free and unlimited access to the above described property at anytime by a County Zoning representative who is investigating compliance with the State Statutes and/or County Codes.

The specifications and/or plans for these sewage tanks have been reviewed and determined to be in compliance with chapters SPS 382 through 384, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an approval based on the Wisconsin Statutes and the Wisconsin Administrative Code. This approval is valid until the end of May 2027. This approval is contingent upon compliance with the following stipulation(s):

#### 1. These tanks shall:

- a. conform to s. SPS 384.25 (2) (b) Wis. Adm. Code.
- b. be labeled as required by s. SPS 384.25 (11) (c) Wis. Adm. Code.
- c. be placed in accordance with s. SPS 383.43(8)(i) Wis. Adm. Code.
- d. be designed to withstand the pressures to which it they are subjected.
- e. be fitted with locking manhole covers in accordance with s. SPS 384.25 (7) (h) Wis. Adm. Code. The manhole cover must be secured to the riser using screws which are not standard or Philips head to be considered an effective locking device.
- f. bear warning labels, that are visible after installation, that conform to s. SPS 384.25 (8).
- g. be anchored in accordance with s. SPS 383.43 (8) (g) Wis. Adm. Code when installed in areas subject to saturated soil conditions.
- h. be installed by persons holding the proper license or registration in accordance with Wis. Stats. § 145.
- i. be installed, maintained and used in strict accordance with the manufacturer's published instructions, Chapters 381-387 Wis. Adm. Code and this product approval. If there is a conflict between the manufacturer's instructions and the Wis. Adm. Code or this Plumbing Product Approval, then the Wis. Adm. Code and this Plumbing Product Approval shall take precedence.
- 2. DSPS POWTS plan approval shall be obtained from the department's Private Sewage Section, or the appropriate agent county, for each installation of these devices.
- 3. A sanitary permit shall be obtained, in accordance with s. SPS 383.21 Wis. Adm. Code, from the county, or other local authority having jurisdiction, for each proposed installation of these tanks.

No person shall purchase, or install, a private on-site wastewater treatment system unless the owner of the property on which the private on-site wastewater treatment system is to be installed holds a valid sanitary permit issued under § 145.19.

No person shall sell at retail, as defined under § 100.201 (1) (d), a septic tank for installation in this state unless the purchaser holds a valid sanitary permit issued under § 145.19.

eSLA PTO No.: PP-052200017-PTOPHTC

- 4. Campgrounds shall obtain required permitting from the Wisconsin Department of Health Services under HFS 178 prior to installing or using these tanks.
- 5. Drain, waste and vent piping used to install these tanks shall conform to s. SPS 384.30 (1), (2) and (3) Wis. Adm. Code.
- 6. Cleanouts shall be installed in drain piping associated with the installation of these tanks in accordance with s. SPS 382.35 Wis. Adm. Code.
- 7. Tank contents removed shall be treated as septage and disposed of in accordance with NR 113 Wis. Adm. Code.
- 8. This approval shall not include consideration of these tanks for any fresh/potable water uses.
- 9. The manufacturer must keep at the manufacturing plant a set of plans and specifications bearing the department's stamp of approval. The plans and specifications must be open to inspection by an authorized representative of the department.
- 10. Backfill for these tanks shall:
  - a. be soil material;
  - b. pass a 4-in. screen; and
  - c. be tamped into place.
- 11. Bedding for these tanks shall:
  - a. be ≥ 3-in. thick;
  - b. be leveled and compacted;
  - c. be comprised of sand, gravel, granite, limestone or other non-corrosive material; and
  - d. pass a ¾-in. screen.
- 12. The following are approved for use with these tanks:
  - a. 4-in. and 6-in. I.D. inlet, outlet and vent openings;
  - b. 4 in. and 6-in. ASTM C923/C923M-20 compliant pipe connectors;
  - c. 4-in. and 6-in. ASTM D1785-15 compliant PVC outlet hubs cast in walls;
  - d. watertight electrical openings ≤ 2-in. ID in access risers;
  - e. precast concrete access risers and covers;
  - f. ASTM C990-09 (R2019) compliant preformed flexible joint sealants; and
  - g. approved effluent filters installed in the outlet baffle.

### Inspection Checklist

#### **INSPECT EVERY 3 YEARS**

- o type of use
- o age of system
- o nuisance factors (i.e. odors, user complaints, etc.)
- o mechanical malfunction (i.e., pumps, valves, switches, floats, etc.)
- o material fatigue (i.e., leaks, breaks, corrosion, etc.)
- o solids volume in anaerobic treatment tank(s) and any distribution appurtenance(s) (i.e., distribution / drop boxes)
- o neglect or improper use (i.e., exceeding design capacities, prohibited activities, etc.)
- o extent of ponding in distribution cell prior to dosing
- o dosing irregularities if applicable (i.e., pump re-cycling, float switch settings, etc.)
- o electrical components if applicable (i.e., wiring, connections, switches, controls, timers, alarms, etc.)
- o distribution lateral or lateral orifice plugging (measure lateral distal pressure compare to design specification)
- o surface discharge of effluent or sewage back-up into structure served

## Maintenance Checklist

### MAINTAIN EVERY 3 YEARS (or when necessary)

- Septic and dose tank(s) shall be pumped by a certified septage servicing operator licensed under s. 281.48 Wis. Stats. when the volume of solids in the tank(s) exceeds one-third (1/3) the liquid volume of the tank(s) or as required by local ordinance. Disposal of contents shall be pursuant to NR 113, Wisc. Admin. Code.
- <u>Effluent filter(s)</u> shall be inspected every 3 years and shall be cleaned when necessary to remove any
  accumulated solids according to manufacturer's specifications. A servicing period will always be greater than 12
  months.

System maintenance reports shall be submitted to the proper local government unit in accordance with SPS 383.55 Wisc. Admin. Code. Report any component failure or malfunction to:

Name of individual or company: Landis Excavating LLC.	Pho	<sub>ne:</sub> <u>920-373-1193</u>	
Local government unit: Oconto County Zoning	Pho	ne: 920-834-6827	
Local government unit address: 301 Washington Street	,Oconto,WI	ZIP: 54153	

Any defective part of this system shall be repaired, replaced, or removed pursuant to SPS 383.51 (1), Wisc. Admin. Code. Repair or replacement of failed or malfunctioning components shall comply with SPS 383, Wisc. Admin. Code. No product for chemical or physical restoration of the POWTS may be used unless approved by the department in accordance with SPS 384, Wisc. Admin. Code.

#### Contingency Plan

In the event that any failed treatment component of this POWTS cannot be repaired, it shall be replaced pursuant to a plan submitted to the appropriate agency for review and approval. A failed in-ground dispersal component may be abandoned and replaced by a code-complying dispersal component in a pre-determined area of suitable soils.

#### System Abandonment

If use of this POWTS is discontinued, it shall be abandoned in accordance with SPS 383.33, Wisc. Admin. Code.

# RESOLUTION FOR OUTDOOR RECREATION GRANT APPLICATIONS RESOLUTION # 1-2025

**WHEREAS**, the City of Gillett is interested in acquiring or developing lands for public outdoor recreation purposes as described in the application; and

WHEREAS, financial aid is required to carry out the project;

**THEREFORE, BE IT RESOLVED,** that the City of Gillett has budgeted a sum sufficient to complete the project or acquisition and,

**HEREBY AUTHORIZES,** Chelsea Anderson, City Clerk/Treasurer, to act on behalf of the City of Gillett to:

Submit an application to the State of Wisconsin Department of Natural Resources for any financial aid that may be available;

Submit reimbursement claims along with necessary supporting documentation within 6 months of project completion date;

Submit signed documents; and

Take necessary action to undertake, direct and complete the approved project.

**BE IT FURTHER RESOLVED** that the City of Gillett will comply with state or federal rules for the programs; may perform force account work; will maintain the completed project in an attractive, inviting and safe manner; will keep the facilities open to the general public during reasonable hours consistent with the type of facility; and will obtain from the State of Wisconsin Department of Natural Resources or the National Park Service approval in writing before any change is made in the use of the project site.

**ADOPTED** this 6<sup>th</sup> day of March 2025.

hereby certify that the foregoing resolution was duly adopted by the City of Gillett City Count a legal meeting on March 6, 2025.	unci

Monty,

The City of Gillett respectfully requests an amendment to the 2024 Oconto County CORP. The City is submitting for a Wisconsin Stewardship grant and therefore will need to show that the project is listed in a current CORP. The City does not have a CORP at this time. The application is due May 1<sup>st</sup>. We would need to have it acted on and have a copy of the official minutes prior to grant application submission.

I've attached a project description page formatted similar to the other projects listed in Chapter 6.

Let me know if the above request can be accomplished by required time. If you have any questions, please let me know.

I have copied the Gillett Clerk, Jerry Luther, and the Mayor on this email.

Sincerely,

Art
