This Agreement is made this 2<sup>nd</sup> day of April, 2026 by and between the Gillett School District, in Oconto County, Wisconsin (hereinafter referred to as the “School”), and City of Gillett Police Department, a municipal corporation of the State of Wisconsin (hereinafter referred to as the “City”.)

WHEREAS, Wis. Stats. §66.0301 authorizes municipalities to contract and cooperate with one another for the receipt or furnishing of services or the joint exercise of any power or duty required or authorized by law; and

WHEREAS, the School is not required to provide their own police protection services, but wish to contract with the City for such services; and the City does now furnish law enforcement protection services throughout the City of Gillett, Wisconsin, and represents that it can and is willing to provide the School with such additional services for a School Resource Officer (“SRO”) consistent with the objectives set forth on the attached and incorporated Attachment A.

NOW, THEREFORE, in consideration of the mutual covenants and promises hereinafter set forth, and other good and valuable consideration, the receipt of which is acknowledged, the parties agree as follows:

1. Term. It is agreed that the City will provide a full-time SRO to the School for the term commencing August 25, 2026 and ending June 5, 2027 (the “Term”)<sup>1</sup>. For purposes of this Agreement, “full-time” means 84 hours per two week period.

2. Appointment of the SRO. The SRO assigned to the School shall be jointly interviewed and considered by the School’s and the City’s representatives; provided, however, that: (a) the assigned SRO shall have a minimum of one (1) year law enforcement experience (unless the parties mutually agree to waive the one (1)-year requirement); and (b) the final determination of the assignment shall be made by the Chief of Police of the City (the “Chief”). The SRO is an employee of the City, and pursuant to Wis. Stats. §62.13, his or her promotion, discipline, or termination remains the exclusive responsibility of the City. The assigned SRO shall be the dedicated officer for the School. The City shall provide necessary officers as relief and/or replacement during the absence or after termination of the assigned SRO regularly assigned to the School, in accordance with all terms and conditions of this Agreement. “Absence”, as used in this Agreement, does not include time off, vacation, sick time, paid suspension/administrative leave, compensatory time and other similar forms of leave pursuant to any applicable labor agreement covering City police officers.

3. Duties; Working Hours. During the Term, the SRO’s duties shall include all those customarily assigned to the position of school resource officer, including those duties and responsibilities set forth on the attached and incorporated Attachment B. The SRO shall generally work the following schedule: Monday through Thursday for eight (8.5) hours and Friday for eight (8) hours. The SRO may, from time to time, be required to handle officer operations and may not be available to the School. This availability may vary depending on activities in the City and the need for police services.

4. Training. The SRO assigned to the School shall be properly trained and supervised under the authority of the Chief. Such training shall include an orientation session to provide the SRO with specific knowledge of the School. Orientation materials shall be supplied by the School.
