7. **Tourism & Marketing Commission/Gillett Area Chamber of Commerce**:
   a. Discussion and possible action on Installation of Lights
   MOTION: Luther/Hicks
   Motion to approve installation of lights and cost of electricity.
   Voice Vote: All Voting Aye - **MOTION CARRIED**

   The Chamber is working on beautification and community pride through various projects, one of which is the THRIVE grant. This project has already been discussed at THRIVE and has been implemented in communities like Lena and Oconto. We are asking for the City to approve support in installation and covering the cost of the electric. We are asking to be on the agenda because we would like them installed in early October, so they can be a part of our 'reset' and ribbon cutting for the highway and playground.
   Information from Lena - -
   Keep up year-round. (Do shut off when Christmas decorations are up but could leave them on.)
   Installation - strung wire first then attached the lights to the wire. They went from pole to pole; Oconto went building to building.
   Purchased non-commercial lights from Costco/Sams and have had up for 1 1/2 yrs with no problems. (Replaced 2 bulbs so far.)

   The Chamber of Commerce is currently planning a ceremony for the road opening and park opening. Asking to work together with Tourism and Marketing. Chamber said they have 9 applications for the Forever Fund Application, will vote for 2 businesses to receive five thousand dollar grants. Road and Playground opening ceremony will be October 16.

8. **Financial Report:** Clerk Treasurer -Updated Check Register presented for City/Utility Accounts
   a. Discussion and possible action on Updated Monthly Check Registers
   MOTION: Young/Hicks
   Motion to approve August Check Registers.
   Voice Vote: All Voting Aye - **MOTION CARRIED**

9. **Police Department Report:** Police Chief Breitenbach
   From the Chief's Desk
   Gillett Police Department: August 2026 / 250 incidents
   Officer Lannoye's field training process is going very well. I am expecting Officer Lannoye to begin solo patrol duties in October. Next week Officer Lannoye will be attending ARIDE training. ARIDE stands for Advanced Roadside Impaired Driving Enforcement. This free training is being hosted by experienced Drug Recognition Expert's from Oconto and Brown County Sheriff's Offices.

   (ARIDE) is a 16-hour course that addresses the gap in training between Standardized Field Sobriety Testing (SFST) and the Drug Evaluation and Classification (DEC) training. This course will cover: SFST skills refresher, advanced sobriety tests, common drugs of abuse, driving while impaired by drugs, how drugs affect the human body, observable effects of drug combinations, medical conditions that mimic drug impairment. Also covered will be pre & post arrest procedures, and legal updates related to OWI and drugged driving cases.

Another year has come and gone for the Oconto County Youth Fair. Our officers responded to several minor incidents during the week-long event. Overall, the crowds were well behaved! I would like to acknowledge the professionalism displayed by our officers while Congressman Tony Wied visited during the fair opening ceremonies. The security detail provided throughout this event was two-weeks in the planning and involved working directly with the United States Capitol Police. I also would like to thank the City of Gillett Fire Department, Gillett Area Ambulance, and the Oconto County Sheriff's Office for their additional support during this detail.

Welcome back Gillett School District Staff and Students! Now that the 2026-2027 school year has begun, we will be closely monitoring traffic in the area. One area of concern is the addition of a new school crossing located directly in front of the school. So far, the student foot traffic is still utilizing the old school crossing at the intersection of S. Elm Ave and W. Main St. Tom Ammerman has returned as our school crossing guard. Please make sure to give him a friendly wave as you drive by!

10. **Fire Department Report:** Fire Chief Hicks- Mavis call, gas/oil spill in Gillett, fire call trapped in elevator, fire call Gillett high school alarm.
For the Hazmat call on Main Street, we contacted DNR. We have in writing that it was done correctly. We have action plans in place for all types of emergencies.

11. **Health, Protection and License Committee Report:** Alderperson VanStraten
    a. Discussion and possible action on Operator License for Aaron Hudson
    MOTION: Mohr/Young
    Motion to approve Aaron Hudsons Operator License
    Voice Vote: All Voting Aye - **MOTION CARRIED**

    b. Discussion and possible action on approving Town of Beaver into the Gillett Joint Municipal Court
    MOTION: Mohr/Bunker
    Motion to approve the Town of Beaver into the Gillett Joint Court.
    Voice Vote: All Voting Aye - **MOTION CARRIED**

12. **Utility Committee Report:** Alderperson Young-
Utility Operator Matt Wickman reported working on new wastewater permit. Seneca factory is running in full swing; wells are working great.
Looking into purchasing a vac truck, it sucks out dirt and water and eliminates the need to call diggers hotline because there is no chance of cutting other utility lines. Walked ponds, looked at sludge in the bottom, no need to change bugs to haul out, it's a good level. We spend a lot of money on ferric.
Looking into a getting a flow pump instead of a pump that is set at one point of injection, it would be as the city uses water -the more the auto flow pump would inject, as the city uses less, the pump adjusts. Kountry Pumpers is a new septage hauler and brings in septage in our hauler station, this customer brings in cheese factory water, will test if our treatment numbers are staying the same.

13. **Board of Public Works Committee Report:** Alderperson Hicks-
Public Works Foreman Tim Via stated: Completed more pothole patching this month. We removed the old dump station by the park bathrooms, plugged the pipe, filled the area with gravel, and patched over the top. We plan to hot patch that spot when we do the other road repairs. We also worked on the new cold storage building and prepared the area for the concrete slab. The slab and approaches have now been completed. We did some grading on the fire house driveway, then spent most of our time

helping with park preparations for the fair. We hauled in gravel to improve access to the parking field. On Woodlawn, we cut around the manhole, so we had enough room to replace the existing manhole cover and assembly. We lowered it so it would sit flush with the road, then poured concrete around it to help keep it from moving again. So far, it looks good. Yesterday, we cut and dug down on Oak Street to insulate a water pipe that has frozen a few times over the winter. We are hoping to start replacing burned out street lights sometime in October.

Sheet No. 1 of 1
Schedule No. F-1
Amendment No. 29

Public Service Commission of Wisconsin

Gillett Water and Sewer Commission

Public Fire Protection Service

Public fire protection service shall include the use of hydrants for fire protection service only and such quantities of water as may be demanded for the purpose of extinguishing fires within the service area. This service shall also include water used for testing equipment and training personnel. For all other purposes, the metered or other rates set forth, or as may be filed with the Public Service Commission shall apply.

Under Wis. Stat. § 196.03(3)(b), the municipality has chosen to have the utility bill the retail general service customers for public fire protection service.

Monthly Public Fire Protection Service Charges:

⅝ - inch meter:	$	25.65	3 - inch meter:	$	385.40
¾ - inch meter:	$	25.65	4 - inch meter:	$	641.00
1 - inch meter:	$	64.40	6 - inch meter:	$	1,283.00
1¼ - inch meter:	$	95.10	8 - inch meter:	$	2,054.00
1½ - inch meter:	$	128.70	10 - inch meter:	$	3,081.00
2 - inch meter:	$	205.90	12 - inch meter:	$	4,108.00

Customers who are provided service under Schedules Mg-1, Ug-1 or Sg-1 shall also be subject to the charges in this schedule according to the size of their primary meter. Customers who are provided service under Schedule Am-1 are exempt from these charges for any additional meters.

Under Wis. Stat. § 196.03(3)(b), the City of Gillett has elected to make the charges in this schedule applicable to non-general service customers who own property that is located both within the municipal limits and in an area where the utility has an obligation to provide water for public fire protection. Each parcel shall be billed at the ⅝-inch meter rate under this schedule.

Billing: Same as Schedule Mg-1.

2 - inch meter:	$	53.00	12 - inch meter:	$	357.00

Plus Volume Charges:

All water used monthly: $5.89 per 1,000 gallons

Billing: Bills for water service are rendered monthly and become due and payable upon issuance following the period for which service is rendered. A late payment charge of 1 percent per month will be added to bills not paid within 20 days of issuance. This late payment charge will be applied to the total unpaid balance for utility service, including unpaid late payment charges. The late payment charge is applicable to all customers. The utility customer may be given a written notice that the bill is overdue no sooner than 20 days after the bill is issued. Unless payment or satisfactory arrangement for payment is made within the next 10 days, service may be disconnected pursuant to Wis. Adm. Code ch. PSC 185.

Combined Metering: Volumetric meter readings will be combined for billing if the utility for its own convenience places more than one meter on a single water service lateral. Multiple meters placed for the purpose of identifying water not discharged into the sanitary sewer are not considered for utility convenience and shall not be combined for billing. This requirement does not preclude the utility from combining readings when metering configurations support such an approach. Meter readings from individually metered separate service laterals shall not be combined for billing purposes.
